

Energy Deals for March 2019

Company Name	Description	Deal Synopsis
Tallgrass Energy Partners	Provider of oil and gas transportation and processing services. The company operates as a growth-oriented midstream energy infrastructure company operating across 11 states with transportation, storage, terminal, water, gathering and processing assets that serve some of the nation's most prolific crude oil and natural gas basins.	The company was acquired by The Blackstone Group, GIC Private and Enagás through a \$3.2 billion LBO on March 11, 2019. The deal includes 100% of the membership interests in the company's general partner, as well as an approximately 44 percent economic interest.
Tradewind Energy (3GW Wind Asset Portfolio)	Portfolio of 3-gigawatt wind energy projects.	The portfolio of wind assets was acquired by Invenergy, via its financial sponsors GE Energy Financial Services, Caisse de dépôt et placement du Québec, AMP Capital Investors, New York State Common Retirement Fund, Leaf Clean Energy, Brightwood Capital Advisors and InvestMichigan! Program, through an LBO on March 20, 2019 for an undisclosed sum.
