

## Materials and Resources Deals for August 2019

Company Name	Description	Deal Synopsis
Actera Ingredients	Developer of innovative ingredients and formulation technologies for cosmetics. The company's products include a vast variety of cleansers, deodorants and shampoos which are made of clean preservatives, helping clients prevent wrinkles arising due to aging and alongside improving their hygiene.	The company was acquired by Arcline Investment Management through an LBO on August 12, 2019 for an undisclosed sum. The funds will be used to further develop cutting-edge products that the beauty industry is demanding from ingredient suppliers.
Vanguard Packaging	Designer and manufacturer of packaging products. The company provides graphic corrugated displays, point-of-purchase displays, signage, retail packaging, industrial packaging products and related assembly, logistics and fulfillment services, enabling companies to get sustainable packaging products.	The company was acquired by Dunes Point Capital through an LBO on August 12, 2019 for an undisclosed sum.
