

## Materials and Resources Deals for March 2020

Company Name	Description	Deal Synopsis
Midwest Can	Manufacturer of portable gas cans. The company's fuel containers, water containers, funnels and drain pans are produced through environment-friendly processes involving waste management and recycling of unused raw and waste materials enabling automotive, hardware and home improvement retailers to offer quality and eco-friendly options to their customers.	The company was acquired by Argand Partners through an LBO on March 3, 2020 for an undisclosed sum. In this transaction loan was provided by Benefit Street Partners.
Pharmaworks	Provider of blister packaging technology for the pharmaceutical, consumer goods and contract packaging industries. The company's packaging solutions range from semi-automated thermoformers to fully automated systems capable of speeds up to 600 packages per minute. It also provides feeding, transferring, collating, cartoning, and vision/inspection systems, as well as a comprehensive aftermarket support program with parts, service, machinery rebuilds/upgrades, controls upgrades, tooling, accessories, and much more.	The company was acquired by Pro Mach, via its financial sponsor Leonard Green & Partners, through an LBO on March 9, 2020 for an undisclosed sum.
Roman Decorating Products	Manufacturer of wallpaper chemicals for homeowners and industries. The company offers pre-mixed wallcovering adhesives, wallcovering primers, vinyl adhesives and wallpaper removal products to the commercial and residential markets.	The company received development capital from Medallion Capital on March 10, 2020. The transaction was supported by debt financing in the form of \$8.5 million of senior debt from TCF Capital Funding and undisclosed amount of mezzanine financing from Medallion Capital. As a result of the transaction, the company was recapitalized.
The Wilkinson Corporation	Producer of calcium chloride-based mineral products based in Mayville, Michigan. The company's product allows the customers to use a safe alternative against processed and manufactured snow, ice and dust control products. It also offers liquid storage tanks, fittings, parts and supports.	The company was acquired by Junction Capital Partners through an LBO on March 2, 2020 for an undisclosed sum.
