

Materials and Resources Deals for August 2021

Company Name	Description	Deal Synopsis
Aurora Plastics	Manufacturer of rigid polyvinyl chloride compounds. The company offers customized rigid polyvinyl chloride compounds serving the extrusion and injection molding customers, providing industry services through its automated manufacturing facilities.	The company was acquired by Nautic Partners through an LBO on August 10, 2021 for an undisclosed sum.
Centerchem	Supplier of functional specialty ingredients intended to be used in a wide range of technology-based industries. The company's products are used in anti-aging cream, botanical extracts, organic and color cosmetics, polishes, glazes and surface treatment agents, enzymes for fruit and vegetables, enabling cosmetic, food, pharmaceutical ingredients, flavors and fine chemical industries to get a range of functional chemical raw materials.	The company, a subsidiary of Capol, was acquired by LBB Specialities, via its financial sponsor LBB Industries, through an LBO on August 4, 2021 for an undisclosed sum.
Certol International	Manufacturer of specialty cleaning and disinfecting products catering to the healthcare and industrial markets. The company offers EPA registered high-performance surface disinfectants and specialty cleaners engineered for use in dental offices, medical offices and hospital settings and also manufactures specialty products used in industrial, marine and consumer cleaning applications.	The company was acquired by MicroCare, via its financial sponsor Heartwood Partners, through an LBO on August 30, 2021 for an undisclosed sum. This acquisition is aligned with the MicroCare strategic goals and priorities, namely, to fuel growth through the delivery of innovative, value-added solutions and services into the global critical cleaning industry.
Deltech Holdings (Monomers, Polymers and European Businesses)	Producer of monomers and polymers for the specialty chemicals industry.	The monomers, polymers and European business, a subsidiary of Deltech, was acquired by SK Capital Partners through an LBO on August 23, 2021 for an undisclosed sum. The acquisition enables SK Capital Partners to broaden its offerings in the specialty chemical sector.
Five Points Films	Manufacturer of cast hand and machine stretch film intended for packaging and transportation of consumer and industrial products. The company offers a broad range of branded stretch films as well as private label stretch films to customers.	The company was acquired by Revolution Plastics, via its financial sponsors Arsenal Capital Partners and The Stephens Group, through an LBO on August 30, 2021 for an undisclosed sum. The acquisition will expand Revolution Plastics' fast-growing national footprint and broaden its sustainable-loop manufacturing capabilities and environmentally-friendly product offering.

Materials and Resources Deals for August 2021

Company Name	Description	Deal Synopsis
Fruth Custom Packaging	Manufacturer and supplier of custom flexible packaging for specialty markets. The company offers extrusion, conversion, printing, reprocessing, tooling and customization of bags and films, providing clients effective packaging products as per their requirements.	The company was acquired by C-P Flexible Packaging, via its financial sponsors Onex Falcon and First Atlantic Capital, through an LBO on August 24, 2021 for an undisclosed sum. This acquisition provides C-P Flexible Packaging with expanded geographic reach on the West Coast and expertise in medical device, biopharmaceutical, electronics and semiconductor packaging.
Technimark	Provider of custom rigid plastic packaging and components. The company's components are a result of computer-aided design technology, careful analysis of every components design, steel type, runner system, gate configurations and internal actions, diverse manufacturing centers, flexible manufacturing systems to update variations and an industry-leading internal automation assembly system, enabling the consumer packaged goods, household care, and specialty industrial markets to receive customized, end to end services along with distribution facilities.	The company was acquired by Oak Hill Capital through an LBO on August 03, 2021 for an undisclosed sum. In support of the transaction Audax Group provided \$1.5 million of senior secured first lien term loan to the company.
