

Materials and Resources Deals for February 2022

Company Name	Description	Deal Synopsis
Woodward Landscape Supply	Distributor of hardscaping materials intended for retail and contractor hardscape markets. The company offers natural stone and other outdoor living products and accessories required for installing a full range of landscape and hardscaping construction projects, including patios, sidewalks, walls, pool decks, steps and fire features, providing a wide variety of unusual items to accent any outdoor environment.	The company was acquired by Outdoor Living Supply, via its financial sponsor Trilantic North America, through an LBO on February 2, 2022 for an undisclosed amount.
