

## Materials and Resources Deals for July 2022

Company Name	Description	Deal Synopsis
FCA Packaging Products	Designer and manufacturer of custom industrial packaging created to provide companies in industries like aerospace, construction and energy with improved packaging protection. The company offers just-in-time (JIT) delivery for various products such as disposable and reusable boxes, crates, skids, pallets and collapsible packaging, thus providing clients with cost-effective packaging services to maximize cost savings.	The company was acquired by Wynnchurch Capital through an LBO on July 21, 2022 for an undisclosed amount.
Intimo Industry	Manufacturer of athleisure garments and branded products serving the needs of the apparel industry. The company has its own research and development and design team that offers knitwear and compression apparel including compression leggings and slips, leggings and stretch tops, providing clients with quality apparel at a reasonable price.	The company was acquired by Seam Seal International, via its financial sponsor Westbridge Capital, through an LBO on July 7, 2022 for an undisclosed amount.
MxG Fiber	Manufacturer of molded fiber packaging products intended to replace single-use plastics and sequester carbon. The company makes food containers out of fibers from Miscanthus, a perennial crop that sequesters carbon in the soil it grows in, reducing greenhouse gases in the atmosphere, enabling the restaurant industry to replace foam and plastic containers used in the take-out food industry.	The company was acquired by Genera Energy, via its financial sponsors Ara Partners, Coppermine Capital, Stairway Capital and WindSail Capital Group, through an LBO on July 12, 2022 for an undisclosed amount. This acquisition allows Genera to incorporate the knowledge and assets of the company into its efforts to supply sustainable fiber packaging to the rapidly growing U.S. market.
Oliver Printing & Packaging Company	Provider of printing and specialty packaging services intended for health, food and pharmaceuticals sectors. The company offers headers, window clings, sell sheets, table tents, directories, wraps and newsletters, thereby enabling clients to fulfill the critical needs of brands across all of their markets.	The company was acquired by Tenex Capital Management through an LBO on July 6, 2022 for an undisclosed amount.

## Materials and Resources Deals for July 2022

Company Name	Description	Deal Synopsis
